myhomefone Features

4G network – 4G LTE connectivity via mobile SIM card, no landline needed.

WiFi hotspot – As the device is 4G connected, you can use the base as a hotspot for your devices (smartphones, laptops, tablet etc).

Hearing aid compatible – M4/T4 hearing aid compatibility.

Power-fail backup – 3000mAh lithium battery in the base for up to 48 hour backup during power fail.

Voice amplifier – Equipped with an amplifier in the handset – a single press boosts the volume to 40dB.

Loud ringer – Extra loud ringer can be adjusted for tone and volume.

Large keypad buttons – Easy for big fingers and those with less than perfect eyesight.

2 inch screen – Large full graphic back-lit OLCD handset display.

Easy charging – Ergonomic design allows the handset to sit comfortably and securely in the charging base.

Speed dialling – Save phone numbers as preset speed dial numbers for ease of use.

Contacts memory – Phone book stores up to 150 numbers. Save numbers easily from Call Log.

Low battery alert – Will alert you when the battery is low.

Carer function – Optional carer portal to set up monitoring device functionality (contact us for more info).

Technical:

4G LTE GSM (900/1800/2100 MHz)

DECT connectivity – base/handset/accessories

Network – FDD-LTE, TDD-LTE, WCDMA/HSPA+, TD-SCDMA, GSM/GPRS/EDGE

Bands – LTE B1/B3/B8/B38/B39/B40/B41 WCDMA 2100/900MHz TD-SCDMA B34/B39 GSM/GPRS/EDGE: 900/ 1800MHz

Rate – FDD-LTE/TDD-LTE: upload 50M / download 150Mbps HSPA+: upload 5.76M / download 21Mbps TD-SCDMA: upload 2.2Mbps / download 2.8Mbps

3000mAh Li-ion (base), 800mAh Li-ion (handset)

SOS urgent contact button

With a simple key press (located on the back of the handset) you can make a call to a pre-programmed number – a neighbour, a relative or caregiver. Up to 6 numbers can be programmed – the phone will keep dialling until one of the 6 numbers is answered. This button can even be programmed to call your choice of emergency response service or professional monitoring.

Optional extras

Optional accessories can be paired to the base unit for added safety – wrist pendant, fall detector, emergency pull cord etc (additional cost).

Wearable Pendant

Wrist Pendant

Emergency pull cord
